

GRAPHISOFT STUDENT AWARDS

Competition of course and diploma BIM-projects.

Competition website: **studentawards.graphisoft.com**

Competition organizers: **Graphisoft SE**

BRIEF

Timeline:

Registration and projects submission: **18th of October – 7th of February, 2022**

Winners' announcement: **21th of February, 2022**

Who can participate?

Individual authors aged 18 to 25 (inclusive), studying in colleges and universities or graduated in 2021 and living in the following countries: Russia, Ukraine, Kazakhstan, Georgia, Uzbekistan, Azerbaijan, Moldova, Kyrgyzstan, Armenia, Belarus, Turkmenistan.

What are the prizes?

There are 3 categories and 1 prize in each one:

- iPad mini 64 GB
- BIMx Pro features coupon
- Portable VR glasses
- Stylish Graphisoft souvenirs

10 authors of shortlisted projects will be rewarded with Graphisoft souvenirs and a coupon to "Become an Archicad Champion" series of courses.

How to participate?

1. Complete the registration process and verify your email address.
2. Fill out your personal profile.
3. Create a project and prepare the files:
 - 1-6 presentation boards in .png or .jpg formats (size 1000x1400px) and files in *.pdf format (size 100x140cm, 150dpi or higher);
 - A *.pla project file (no more than 1GB) saved from Archicad 25;
 - Optional: .bimx file and/or .mp4 video (e.g. Twinmotion animation).
4. Upload files to your account.
5. Include a written description of the modeling techniques and additional software used.
6. Get the competition results.
